AMENDMENT B

Assistant Commissioner for Patents
Washington, District of Columbia 20231

Dear Sir:

In response to the Office Action mailed October 15, 2002, please amend the above-referenced application as follows:

In the claims

Please cancel claims 1 to 17.

Please add new claims 18 to 88 as follows:

18. (New) A video gaming device, including a casing that includes a receptacle for accepting detachable storage means, the detachable storage means containing an interactive program, the casing incorporating:

communication means for receiving interaction data from at least one control device operable by a user;

processing means for executing said interactive program at least partially in reliance upon the interaction data, thereby to generate display images for output to an image display means; and

a printer apparatus including a printhead, ink supply unit, and print media feed mechanism, said printer apparatus being operatively associated with said processing means
